## Rider tech

Samuele Rossin (main vox, guitar)

Nicola (backing vocals, guitar, bass).

Front of Stage

## Equipment that we bring with us

- instruments (guitar, basses, electronic kick pedal);
- Pedalboards (with our personal stereo D.I.);
- Personal microphones

## Equipment that we need

- 2 D.I. box;
- XLR cables (at least 8 plus backup cables);

- 2 microphones stands
- 3 guitar stands (acoustic guitar size)
- PA (mixer, external pa, 2 monitor)
- 2 Power point

### Info

- Minimum stage length and width 3.5m x 2m;
- Nicola's acoustic guitar and bass goes in the same L R (own stereo pedalboard);
- Kick pedal goes in line and need to be equalized and compressed;
- Vox 1 (Samuele) is in stereo L R, vox 2 (Nicola) in one channel (xlr).
- Vox 1 use TC Helicon pedalboard (delay, harmonization)
- Vox and acoustic. guitars needs reverb on it. We normally use medium hall reverb. DO NOT put delay on vox and guitars. - please provide 2 extra DI box in case of necessity
